## **Spartacus Group Core Capabilities Document**

Hi Performance Bio-Safe Products for Industrial & Weapon System Applications

### **Company History**

Spartacus Group was founded in 2008 from the need to develop hi-performance automotive products by using advanced aerospace chemical technologies and successfully using them for professional and commercial OEM, Racing & Military applications. Recently utilizing the same successes for development of a Bio-Safe Weapons Cleaning - Lubricants (gun oil) designed to fulfill current DOD & NATO CLP MIL-Specs for Guns, Rifles & other type weapon systems for Military, Police, Commercial and Civilian requirements.

Focus on Bio Base EPA Safe NON Hazardous chemical materials which provide reliable performance repeatability.
