

TECHNICAL DATA SHEET – PART NO. 833-77409
SPARTABRAKE BIO-BASE /BIO DEGRADABLE BRAKE & METAL PARTS CLEANER

SpartaBrake Bio-Base/Degradable Brake & Metal Parts Cleaner Product Information:

- SpartaBrake product is EPA OTC (50 STATE) CALIFORNIA (CARB) Europe (EU/UK) JAN 2011 LEGAL.
- Highly engineered – Bio Base Technology product made from Bio Based/Degradable products accepted and registered under USDA Department of Energy BioPreferred Federal Program (Industrial Cleaners).
- For use as a direct replacement for existing petroleum based Brake & Metal Parts Cleaner / Solvents.
- **SPECIFICALLY FOR PROFESSIONAL & COMMERCIAL USE ONLY.**

Applications & Use:

- Premium / Upgrade Replacement for current petroleum Brake & Metal Parts Cleaner Products
- 50% increase in stability; durability & cleaning efficiency (without residue) over current (standard) brake cleaning solvents. Making SpartaBrake the ideal LOW VOC (Volatile Organic Chemistry) formulation.
- Effective Brake Parts Cleaner/Solvent for removing dust, LIGHT grease & oil from metal parts.

Features & Benefits:

- Fast Cleaning & Quick Drying - Carbon Neutral – Application – Worker & User friendly Bio-solvent product.
- Water rinse-able without the addition of surfactants. **Precise Surface Clean Performance (NO RESIDUE).**
- **SARA non-reportable & has no ozone depleting chemicals (ODC's) or OSHA Carcinogens (TRI)**
- Environmentally friendly, **EPA HAPS free**, bio-based renewable products & materials (corn, grains & other bio mass products) as recognized by the USDA & EPA (having Environmentally Bio Preferable Chemistry).
- 100% Biodegradable into a) the soil (as a compostable) b) into the water because these raw materials of nature (Corn, Soy, Grain. Bio Mass & others) naturally dissipate into the environment.
- OTC (50 State), California (CARB) & European (EU/UK) LOW VOC Jan 2011 Legal Formulation.

Health and Safety:

- Based on available information, this product is not expected to produce adverse effects on health when used for the applications referred to above & the recommendations are followed as provided within the Material Safety Data Sheet (MSDS). MSDS's are available via Internet or upon request through your local dealer. This product should not be used for purposes other than the applications referred to above. If disposing of used product, take care to protect the environment. Keep out of the reach of children.

Typical Properties:

SpartaBrake - BioSafe Brake & Metal Parts Cleaner	
Corn, Soy & Bio Mass Premium Design Bio-Technology	
Specific Gravity	.966
Flash Point	135°F
